

THE LEADING HALOTHERAPY SOLUTIONS PROVIDER

Product Overview

## LEADING THROUGH INNOVATION

### #1 SALT THERAPY SOLUTIONS PROVIDER

Today, the world as we know it is rapidly changing, which makes it imperative that we keep changing and innovating. Halotherapy Solutions has consistently led the industry with new ways to grow businesses through industry-leading solutions. Through our passion for salt therapy, it is our commitment to continue pushing boundaries so that we can remain ahead of the curve and pave the way for excellence in all that we do.

In addition to thousands of day spas, some of our customers are:

"It has been awesome working with Halotherapy Solutions. They have been very helpful in guiding us through offering a new amazing service that is a great solution for so many in the community."

- Antonio Bryan, Owner of Cryo Wake Forest

"Halotherapy Solutions has been a great company to work with. They helped me with installation and provided all technical knowledge needed to run the service. Our customers love Halotherapy and Red-light therapy combination."

- Divya Warble, Owner of Divine Float-Spa LLC

"We have been very happy with our 3 person Halo IR! It's added additional revenue to our Health Lab, but more importantly, has helped so many of our customers and their children recover quicker from sinus/allergy issues, skin issues, and all things respiratory!"

- Anna Smith, Owner of Water Tree Change + The Health Lab

"The Vitality Booth is an amazing therapy to offer clients. It has so many benefits that can help a wide variety of conditions, our clients have been amazed! Working with Halotherapy Solutions was easy and communication was great."

- Carey Mercarini, Owner of TV Lounge by Renée Naturopathic

**Halotherapy Solutions is the only BBB accredited salt therapy equipment company.**

**"Not received a single customer complaint and has not received a negative review." A+ Rating.**

**- Better Business Bureau Accredited Business**

# PRE-BUILT EQUIPMENT

PERSONALIZED EXPERIENCE - MINIMAL SET-UP

# HaloIR™

## HaloIR™ - Breathe & Detox Suite 5-Sensory Experience

The HaloIR™ is the first sauna to offer a synergistic combination of far Infrared Saunas (manufactured by Clearlight), and Halotherapy (provided by Halotherapy Solutions, LLC). It was created to engage all 5 senses for a truly transformative experience. TASTE the salty air, SMELL the essential oil, custom blended for our HaloIR™ & Star customers, FEEL the warmth of the infrared heat as it envelops your body, HEAR the soothing voice of KSARA professional guided meditation, and SEE the changing lights of the medical-grade chromotherapy light waves. With thoughtful design, driven to support an elevated wellness experience, the HaloIR™, is a custom-built sauna with an integrated Halogenerator to maximize the efficacy of both modalities. This is the first-ever joint product development between the Infrared industry and the Halotherapy industry to maximize both modalities.

### Features

- A 4-in-1 product, options include: Halotherapy only, Heated Halotherapy, Halotherapy with far Infrared, or just far Infrared
- Easy installation (normally 90 minutes)
- 20, 30, and 45-minute protocols included
- HaloProtectant™ feature to ensure there is no salt corrosion on the infrared components, with sensitivity to the lifespan of each unit
- Custom-designed integrated Halogenerator Medical Grade Chromotherapy Included
- ELF shielding with the lowest ELF levels in the industry Comprehensive training manual
- Aromatherapy Holder along with custom blend essential oil Flawless "furniture grade" cabinetry with 8mm thick glass front
- Offers a full 500 watts per heater versus competitors' maximum 40-watt far-infrared emitter. Allows for the deepest penetration, peak performance with the best results
- Bluetooth Audio Sound System with KSARA Guided Meditation
- Lifetime warranty on halogenerator, 5-years on sauna

- Unique Himalayan salt chairs

Pricing is dependent on which Halogenerator is chosen and the types of décor ordered. Please contact us to schedule your free consultation, our information can be found on the last page of this document.

# HaloGX Pro™

## HaloGX Pro™

In response to the coronavirus, more and more spas are creating smaller, more personalized salt room and cave experiences. We have also adapted and updated our technology to introduce the HaloGX Pro. The HaloGX Pro produces the smallest particles in the industry and uses the newest hybrid methods, incorporating both mill technology and cyclone technology.

## Features

- Great for rooms up to 150+ square feet
- Engineered with new compressed air technology for the smallest, micron-sized salt particles in the industry
- Uses less salt per session than standard Halogenerators but with the same efficacy
- Very quiet machine
- Simple installation (2 screws and a plug)
- Very easy to operate and clean
- Includes "turbo" feature to increase salt levels if desired
- Low power consumption 50W, 110/230V, 50/60Hz
- LIFETIME Warranty
- Perfect size: 26.1" (H) x 8.3" (W) x 6.6" (D) (inches)
- FREE Consultation on build-out

## List Price

- **HaloGX Pro™**  
Dimensions: 26.1" (H) x 8.3" (W) x 6.6" (D)

\$4,900

# HaloFX™

## HaloFX™

Our unique HaloFX™ Halogenerator delivers a reliable and powerful performance for every Dry Salt Therapy session. Its sleek, lightweight design allows for easy installation for both small and large salt rooms. The HaloFX™ has numerous adjustable pre-set programs that make it customizable for any lung or skin condition. It is quiet, simple to operate and virtually maintenance free! Halotherapy Solutions Halogenerators are second to none. Maintenance and repair are minimal. Far and away the most user friendly, maintenance and repair free commercial/ medical grade Halogenerator on the market.

## Features

- Up to 440 sq. ft. room | Wall mount installation
- Low power consumption: 35-50W | 100-240V AC, 50/60 Hz
- Powdered feed rate: 0-300 g/h | Tank capacity: 300g
- 2 separate auxiliary controls for ventilation and lights
- Self-cleaning mill and non-nesting feeder
- Comprehensive training manual
- FREE Consultation on build-out

# HaloLounge

*Award winning Design By Deco*

## Introducing the NEW HaloLounge

Easily conceive of your space while managing the budget with an "à-la-carte" concept unique to the HaloLounge line. Our specialty-designed glass HaloLounge or HaloHybrid (utilizing some of your own walls and/or ceiling) is a great option for businesses looking for a high-end cave-like environment without the expense and inconvenience of a "buildout". Use all 4 frosted or clear glass walls or mix with 1, 2 of your own. It is available in two standard sizes or configure a size to meet your needs. Easily assembled, with no costly room modifications or monitoring humidity levels. Includes industry-leading lifetime warranty on HaloGX™-Pro.

## Features

- Easy to assemble modular panels
- No room modifications needed
- Available in clear or frosted/heatin glass
- HaloGX-Pro™ Halogenerator Included
- IGARA Guided Meditation
- Ambient sensory lighting (RGB color-changing or soft white)
- Built-in reliable ventilation system
- Plugs into standard 110V outlet
- Various backlit wall color options are available
- Full backlit brick wall kits
- Full 24" x 72" backlit wall & ceiling panels that go up in minutes
- Accommodates up to 2 - 6 people (Sm, Md, & Custom sizes) Ideal for high-end facilities
- Lifetime warranty on the HaloGX™-Pro

# PORTABLE PRODUCTS

VERSATILE SOLUTIONS FOR ANYONE, ANYWHERE.

# HaloPod™

## HaloPod™

Introducing the HaloPod, one of our newer HaloTherapy products, developed after much research with our wellness partners who requested a portable product that would easily fit into small spaces and that didn't require extensive or expensive room build-outs or modifications. Great for home use also!

## Features

- Portable: Easy to move from room-to-room or to take outside of your spa to health fairs, senior centers to promote your business or add more revenue
- Includes portable pop-up pod to contain salt. The pod comes in 4 colors — black, red, navy blue, and royal blue
- Comfortable hanging attachment that maximizes dry salt absorption for individuals
- Durable Plastic vs. Stainless Steel (no clumping — easier to clean)

## List Price

- HaloPod™

\$4,900
